SIR

I have the honour to state that the Government High Schools in the Province are at present allowed a sum of Rs 5 a month for Contingent expenses From this amount the Head Masters purchase all writing materials and sundries required both for ordinary use and the periodical Examinations of the various classes of their School The Contingent Allowance which was fixed some years ago is found insufficient for the present needs of the schools I beg to recommend that Government may be pleased to increase the allowance by Rs 3 a month The additional amount required for all the Seven High

306

Schools – ~~5 Distract and 2 Taluk~~ – will be Rs 21 a month or Rs 252 a year. There is an unutilised sum of Rs 40 a year in the amount of Rs 2253 provided under head III of Colleges and High Schools for Contingent charges. The net increase under the item will thus be Rs 2 ? which I beg Government may be pleased to sanction

From

Sir,

I have the honour to state that of the Seven Government High Schools only two have a Writer each on Rs 12 a month There is much Clerical work to be done in these Schools by way of correspondence Keeping the several School registers, preparation of monthly and Annual returns, tabulation of Examination marks &c Each High School has a Library besides, from which books have to be issued both to teachers and pupils every day All this work is at present done by the Head Master himself or by one of his Assistants The arrangement is unsatisfactory since it interferes with the legitimate

work of the members of the Teaching staff There is ample work for a writer I request therefore that Government may be pleased to sanction the appointment of a writer on Rs 15/- a month for each of the remaining five High Schools.

2 I further beg that the pay of the Writers of the Tumkur and Chikmagalur High Schools may be raised from Rs 12 to Rs 15 The increase on account of the 5 additional writers and of higher pay to two writers will amount to Rs 972 a year thus

	Rs
5 Writers on Rs 15 each - - -	75
Increase of pay to two Writers from Rs 12 to 15	6
	81 a month

I request that Government may be pleased to sanction the above proposal

I have the honour to be,
Sir,

SIR

I have the honour to submit for favourable consideration and orders of Government the case of Pupil Teachers employed in the Government High Schools There are altogether eight such teachers, two in each of the High Schools at Chikballapur, Chamarajpatna and Hassan, and one in each of the High Schools at Chikmagalur and Tumkur Five of them have passed the Middle School Examination and the remaining three have not passed any Examination They are in charge of the Primary Classes of High Schools and are reported to be doing satisfactory work Their present pay is however very small being only Rs 10 a month Their designation is likewise unappropriate as they are whole-time teachers like the

teachers in the schools - Under these circumstances I beg to propose that the designation "Pupil Teacher" may be done away with and that these teachers who now bear that designation may be promoted to the last class of Assistant Masters namely — Class II (Rs 15 — $\frac{3}{2}$ — 30) as soon as they pass the Matriculation Examination They should get a fixed pay Rs 15 until they matriculate These proposals entail an additional charge of Rs 40 a month immediately With a view to improve the prospects of these teachers and thereby secure more efficient teaching for the juvenile classes committed to their care, I request that Government may be pleased to sanction the above proposal

With regard to the Insp^r Gl's 1st proposal, it is observed that the two writers for the Chickmagalur and Tumkur High Schools were sanctioned only a year ago on Rs 12/- each and the present application for increasing their pay to Rs 15/- seems premature. The Inspector Gl is however requested to ~~state~~ report ~~on~~ to the strength of each of the High Schools in the State.
